

If you want to receive our payments in a way that is faster and more convenient, we offer you the option of electronic deposit directly into your bank account. This eliminates the risk of lost checks or having to go to the Bank and making long lines.

To qualify for this benefit you must complete the information below and send it along with a VOID check or deposit sheet stamped by the Bank in the event of a savings account, in the pre-sealed and self-addressed envelope we enclose.

It is so simple and fast.
